Director, Radio Station
Smith College
Northampton, Massachusetts

Gentlemen:

During the last semester, we received reports that your campus radio station was radiating in such a manner as to cover all of the city and a considerable portion of the surrounding area.

We are not familiar with the conditions under which your station operates, but WHMP, Northampton, is a regular subscriber to Standard Program Library. Therefore, if these complaints should be renewed, we would feel it necessary to withdraw the Standard Library which is now in your possession.

Yours cordially,

Alex Sherwood
